PAC MEETING

Principal's Report

April 19, 2021

School Updates

Class Organization for January-June, 2021:

Current figures: 15 in-school divisions 2 Surrey Blended divisions
 335 students in-school 47 students online
 3 Homeschool

Total enrolment: 384 students

Staffing Updates

Round 1 of the teacher transfer process begins on April 27th. We have one vacancy grade 7 FRIM. We have 3 new noon hour lunch supervisors. We welcome Rhonda Cedar, Joanna Manolis and Isabelle Naidu.

Emergency Drill Updates

Emergency Drills

Each year we are required to complete:

- 6 fire drills (three before Christmas break and three by June)
- 2 earthquake drills
- 2 Lock Down / Hold & Secure drills.

We hosted our fifth fire drill on March 10th. Students and staff exited the school in a prompt orderly fashion. Our next emergency drill is earthquake drill on April 30th.

Other Updates

Staff Pro-D

Next professional development days are May 7th and May 31.

This Month....

Our Brainfit super powers for April are responsibility and accountability. Teachers are exploring these concepts in greater depth with their students.

School Spirit Days:

We enjoyed our Super Hero/favourite video game character dress up day on April 7th. Every Wednesday is CP spirit day. Students earn house team points when they wear their CP spirit wear.

COVID Updates...

The district has implemented a universal design approach to managing COVID transmission.

Universal: in all schools, staff and students – All staff and students in grade 4-12 wear masks at all times in-doors, cleaning and fogging practices, cohorts, all meetings done virtually, room capacity posted and followed. Limited visitors to the school, and playgrounds closed before and after school

Targeted: specific schools/locations where we see an increase in exposures or response to school design/size - staggered recess and lunch, specified Zones of play for cohorts

Intensive: schools/locations where we see clusters of exposures or multiple classes isolating- COVID response team will come and assess school, with assistant superintendent and make site specific recommendations that may include, class/cohort/or whole school isolation.

* COVID exposures identified by FH will continue to be shared with families through the District. Notifications will not be forwarded to families from the school. This ensures information is received by school communities in a timely manner. We have had 4 exposure notices since April 2nd. We have 2 classes in self-isolation. Fraser

Health believes these are community transmissions and not transmissions within the school setting. We personally contacted every family required to self-isolate to ensure they checked their email.

Fraser Health will:

* provide the identity of the person to the school so we can confirm their contacts at the school. Privacy protocols are still in place.

* continue contact tracing which may identify further persons outside of the class / cohort. The school is not to investigate nor contact trace independently.

* issue a **School Bulletin** when case and contact management for a specific case has been completed.

Outside Play Zones exploration:

Excerpt from the Ministry of Education Health and Safety Guidelines:

Elementary Students: when interacting with peers outside their cohort students should:

Minimize Physical contact (not touching, hands to self) when out doors

Maintain physical distance (2m) when indoors

Outdoors is lower risk than indoors- there is no requirement in the guidelines to have ZONES of play

Recent site visits to 2 schools with outbreaks Fraser Health recommended the following:

Staggering recess and lunch breaks by grade group. Assigning play areas by grade groups may have slight mixing of cohorts but minimal and outside is safer than inside.

Our revised Zones of play and staggered recess and lunch for primary and intermediate students is working well.

Upcoming dates...

April 30th – Early dismissal – 1:30

May 7th – non -instructional day students do not attend

May 17-21 virtual Ready Set Learn week (3 and 4 year olds)

May 14 – early Dismissal -1:30

May 31- non-instructional day students do not attend

June 7- Early dismissal

Info Requested by PAC on Emergency Bins

In June 2019, Safe Schools, in partnership with the Superintendent’s Department, purchased basic emergency supplies for schools in the event of a wide-scale disaster requiring shelter-in-place. These supplies are a universal list of items based on suggestions from a cross-section of Surrey principals, vice-principals and Safe Schools staff, combined with the Ministry of Education and Emergency Management BC’s suggested list of supplies. The supplies arrived at school sites during the summer in two 65 gallon yellow rolling storage bins. These bins are currently located in our outside container.
